(c) Specifications

1. Printer Cum Xerox specifications

Print speed black:

Normal: Up to 24 ppm

First page out (ready)

Black: As fast as 7.7 sec

Duty cycle (monthly, A4)

Up to 50,000 pages per month

(Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups.)

Recommended monthly page volume

2000 to 5000 ²

(HP recommends that the number of pages per month of imaged output be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.)
